SUPEREQ CURRENCY COUNTING MACHINE

Loose Note Counting Machine

Features :

Conveniently compact and stylish, the CH-002 has been specifically designed to accurately count bank notes in bulk, thus reducing labor time and losses due to human error. The CH-002 is equipped with a micro-computerized mechanism that allows not only for accurate and high-speed counting, it also adds and creates batches. It makes an invaluable aid in banks, supermarkets, movie theaters, retail locations and many other environments where money is used.
